

The “singing zoologist” is performing for our school!

Lucas Miller charms kids and adults with his hilarious, fact-filled songs and stories about frogs, dogs, anacondas, chimichangas and more! His award-winning materials are available here at special prices so you can extend the learning experience!

Fifi the Ferocious: She thinks she’s ferocious but this pampered pooch has a lot to learn about animal defenses. Lucas’ top seller; for ages 5-9.

Bluebonnet Time: Posing for bluebonnet photos, the Wilder family discovers the beauty and science of Texas’ state flower. Includes a CD of the bluebonnet song and 8 more science tunes! For ages 6-10.

Going Down to Mexico/Rumbo a México (6”x9” book) In English and Spanish, this book follows the life cycle of a monarch and its fall migration to Mexico. Learning resources in the back and online! Ages 4-8.

I Love Earth (CD): 21 of Lucas’ greatest hits including *The Chimichanga Song*, *Anaconda La Bamba*, *Living in a Wetland*, *I’m a Mako Shark*, and *Slimy*. The Parents’ Choice Awards rave, “serious musicianship, intelligent and educational lyrics...a CD that both children and parents will want to listen to again and again.” All ages!

Animals Rock (DVD): A *Booklist* “Editor’s Choice,” this 43-minute DVD captures Lucas’ performing “Metamorphosis,” “Stinkle Stinkle Little Skunky,” “Fifi the Ferocious,” his beloved monarch butterfly song and more. Ages 5-10.

Autographed Poster (11”x17”): The colorful artwork from *Animals Rock*-signed and personalized!

“Little did we know how much we would all learn from it. Little did I know how many laughs our family would get from it, and how it would be something we would bond over. This has enlightened us, and educated us together. We have memories built around these things. I love knowing that my children will be passing Lucas’ material down to their children.”
